

**MARK SCHEME for the May/June 2006 question paper**

**1123 ENGLISH LANGUAGE**

**1123/02**

**Paper 2**

**maximum raw mark 50**

This mark scheme is published as an aid to teachers and students, to indicate the requirements of the examination. It shows the basis on which Examiners were initially instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began. Any substantial changes to the mark scheme that arose from these discussions will be recorded in the published *Report on the Examination*.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the *Report on the Examination*.

- CIE will not enter into discussion or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the May/June 2006 question papers for most IGCSE and GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

Candidates must distil the answers.

**QUESTION 10: 5 marks (5 x 1)**

1. Mark only the first FIVE words attempted.
2. If more than FIVE are offered, cross out the excess and write RUBRIC.
3. For each word attempted, mark the first answer only when more than one answer is offered. A comma or the word 'or' indicates a second attempt.
4. For two answers joined by 'and', allow one correct answer if the other answer is not wholly wrong but neutral, e.g. 'thrilled and happy' for 'enchanted'.
5. For a short phrase answer, mark the first seven words only (RUBRIC).  
*Credit a correct element within this limit.*
6. Ignore mis-spelling if the word is phonetically recognisable.
7. Ignore errors of tense and grammatical form *but only if the meaning is correct.*
8. If answers are numbered and the question-word has been given as well, credit a correct answer even if the numbering does not agree.

(See words and equivalents overleaf.)

**QUESTION 11: 25 MARKS (15 +10)**

MARK TO A MAXIMUM OF 15 OUT OF 20 FOR POINTS. AWARD A MAXIMUM OF 10 MARKS FOR STYLE (See pages 10 -11 for the Style marking method.)

**NOTES:**

1 Points to be rewarded and their marks are indicated on the next page.

2 Introductory Words

No penalty for omission; no penalty for any errors made in them or for incompleteness, but take into account any punctuation or grammatical error immediately following them when assessing Style.

3 Length

Draw a double line where the introductory words end, or should end.

Count to 150 the number of words used by the candidate after the double line and write down this number at the bottom left of the candidate's answer.

DO NOT use the candidate's word-total without checking it.

STOP at 150 and cross out excess words.

(N.B. This maximum takes into account the ten introductory words to tally with Rubric of question, i.e. 160 words.)

4 Marking Technique

- (i) Indicate by numbered tick the point rewarded, e.g. ✓3
- (ii) Assign the mark-scheme number to points rewarded on all scripts.
- (iii) Assess qualities of Style separately. Add the Style Mark to the Content Mark and show as a ringed total in the right-hand margin.

5 For answers shorter than the 150 words, assess Style in the normal way, but apply the following maxima:

0-25 (0); 26-50 (2); 51-75 (4); 76-100 (6); 101-125 (8).

So in 121 words, with OW10 and UE10, Style mark = 8

6 If the candidate uses note-form throughout the answer, give 0 for the Style mark but allow the points where they are clearly made.

7. Sequence errors

In general, only withhold the mark for a point if it is wildly out of sequence or totally unsupported. Do not penalise the point that then follows. Avoid the double penalty.

## SUMMARY QUESTION

The mark for Style incorporates **TWO categories of** writing, namely OWN WORDS and USE OF ENGLISH. The table which follows on the next page provides descriptors of the mark levels assigned to these TWO categories.

In assessing the overall mark for Style, first of all assign the script to a mark level under the **category** of OWN WORDS. Then arrive at the mark level for USE OF ENGLISH. Before deciding the mark for this level, take the accuracy of the writing into account, in particular the absence or frequency of **serious** errors. ***Underline only serious errors.***

**Add the marks for OWN WORDS and USE OF ENGLISH together and divide by two. Raise any half marks to the nearest whole number. Add this mark to the Content mark and show as a total in the right-hand margin.**

## SERIOUS ERRORS

Wrong verb forms.

Serious tense errors

Serious errors of sentence structure, especially in setting up subordination

Omission or obvious misuse *of* prepositions

Wholesale misunderstanding over the meanings of words used

Serious errors of agreement

Ingrained weakness *of* punctuation, i.e. the habitual comma replacing the necessary full stop

Breakdown of sense.

## MINOR ERRORS

Mis-spellings of a minor nature. Count as a serious error when the form of the word is severely mangled.

Obvious slips of repetition or omission.

Minor errors of punctuation, i.e. the failure to complete pairs of commas in parenthetical phrases/clauses, omissions of stops after introductory words like 'however'.

***Indicate how you arrived at your mark for OW and UE, either by a short comment at the end of the script or by use of left margin.***

Note 1: Scripts placed in last two boxes for OW cannot receive a UE mark from the **top** two boxes, as originality does not apply. But accurate copying must score middle box for UE as this is 'best fit' box.

Note 2: For answers written in wholesale or sustained irrelevance, ignore OW assessment and give 4 marks maximum for Style, depending on number of errors. Such scripts will be rare.

Note 3: For answers where relevance is oblique, or written in a mangled or nonsensical fashion, the 'best fit' OW box will probably be the middle one.
